

To submit your application

In the main menu, click on "Application" to submit:

The screenshot shows the Erasmus Mundus application interface. At the top left is the logo 'dm²' with 'd' and 'k' in blue and 'm²' in orange. To the right of the logo is the text: 'Erasmus Mundus master course in Data Mining and Knowledge Management a european master'. Below this is a vertical menu with the following items: Home, Personal Informations, Work experience, Diplomas, Personal skills and competences, Application (highlighted in blue), Student - 2011-2013 (highlighted in light blue), Passport, Cover letter, Recommendation, and Preferences for mobility plan.

You must accept the required conditions before you can submit your application:

I hereby declare I won't apply to more than 3 Erasmus Mundus Master Courses.

I hereby declare that I did not benefit previously of an Erasmus Mundus Master Courses scholarship.

I swear the accuracy of all information provided and the compliance of the attached documents.

After you have checked your personal information and fulfill all required documents to upload, click on **Apply**.

Important: you can no longer modify your application once it has been sent.

[Apply >](#)

Click on the « Apply » button.

An error message will be displayed if the required fields have not been filled in:

Personal informations -> Photo not uploaded!

I hereby declare I won't apply to more than 3 Erasmus Mundus Master Courses.

I hereby declare that I did not benefit previously of an Erasmus Mundus Master Courses scholarship.

I swear the accuracy of all information provided and the compliance of the attached documents.

After you have checked your personal information and fulfill all required documents to upload, click on **Apply**.
